Maybe best used when talking tech

CAVEAT REGULAR- IS A LITTLE MORE FREE AND LOOSE

Body Text

Myriad Pro-The Default. In most cases funding comes from state but many of our child care facilities are for profit.

Allerta Stencil Regular- Reading books can be pretty fun especially if there is a good plot. not so much if there is a slow bad one. infograpics can be the same, if you can keep the reader interested in the topic they will continue and finish reading the story being told

King Caslon Seems easy to understand and not too plain and generally balance. “I got me a future, I’m not stuck on the past. I’ve got no new tricks, yeah I’m up on bricks but I’m a Machine and I was built to last.”-Get Better by Frank Turner

Quick Sand- Clear and simple text the is thinner then some others but comes off as taller than king calson.

CINZEL-GIVES A BOLDER LOOKNIG PARAGRAPH  
IT COULD ALSO BE A TITLE WHEN **BOLD**

Nothing You Could Do- More intersting and abstract but harder to read.

Boogaloo Regular- Blold Body text Part 1 Regular Boogaloo  
Sometimes I pick Beer based on thier creative names like  
Dirty Dish Water. It sounds awful but what are the chances  
that was the flavor they were going for?

Rajdhani- thinner balanced text style

Not yet nearing the critically aclaimed song  
Recovery currently sitting at 17,176,961 Plays  
since release. This font is a little too close together  
but makes the bold pop more as it is more easily  
seen which may be better sucha as others in the stats section
